

# DJ PACKAGES

Choose from our three unique DJ packages built and designed by FTB in house to provide a Wedding DJ experience like no other! All three packages include premium audio and DJ controlled lighting. This means perfect sounds alongside a lighting show that follows the speed and pace of the music playing.

# THE silver PACKAGE

Our small but mighty DJ setup, Silver is perfect for small to medium Weddings. Featuring a compact lighting rig, DJ controlled lighting show and two active RCF speakers, Silver is perfect for venues where space is a premium!
